**Leister Vacuum Testing Bell (153.026) and
Leister Vacuum Box (152.981)**

Leister confirms that above mentioned products use vacuum gauges that conform to EN 10204 2.1 and that the gauges are manufactured to hold an accuracy tolerance of +/- 1.6%

Leister works according to ISO 9001:2008 quality management systems. Production and test processes are aligned with before mentioned quality management.

Leister confirms that products pass a 100% functional test after production.
